## **Special Edition of our newsletter**

As the P & H Centre remains closed unfortunately, we are unable to meet as a large group.

We are not sure what September holds for us. A lot will be determined by whether or not the P & H Centre reopens. Even if the P & H Centre reopens in September, we will need to follow Public Health guidelines for holding meetings of our size in the Lion's Den. If we are able to meet, we no doubt will need to continue practising physical distancing. As a contingency plan, if we are not able to meet in person, we will hold monthly virtual meetings (and guest speakers) via the Zoom meetings app (see picture below for what your screen looks like when multiple people on a Zoom meeting). Craig Brown will be conducting virtual Zoom training sessions on the following dates:

**Zoom Training Session #1: Late August (Date and Time TBD)**

**Zoom Training Session #2: Early September (Date and Time TBD)**

joining us next year.

## **2020-2021 MEMBER REGISTRATION:**

Many of you probably have questions regarding procedures for registration for the 2020-2021 year. Please find your 2020- 2021 renewal registration form attached to this newsletter. Please print off and complete the form on both sides and return it to the following address:

Ms. Joan Ferguson  
852 Marl Lake Road 8, RR#3  
Hanover, Ontario  
N4N 3B9

If you unable to print from home, Joel Cote will have multiple copies of the registration form printed out for you. Please check your membership booklets for his address. He will leave them in a large brown envelope on his front porch patio chairs. Please stop by anytime and help yourself.

Considering that our 2019-2020 meeting year was shortened by three months, **your Management Committee has voted to change the registration/renewal fee for the 2020-2021 year to \$21.00. Please make your cheques payable to the Hanover and Area PROBUS Club.** For this year only, no witness will be required to validate your registration form.

## **PROBUS CLUB MEMBER BOOKLETS:**

**Please keep your 2019-2020 member booklets.** With our shortened timeline for registration, the management committee has decided to retain the use of these booklets for the 2020-2021 year. We will only publish an addendum of changes to phone numbers, addresses and/or emails.

## **ACTIVITIES:**

Pending government and Public Health directives some of our activity groups may consider restarting their activities when and where it may be safe to do so. Social distancing will probably continue to be the norm. The Management Committee thought that activities such as pickleball, cycling, walking (strollers) and golf may be able to

Your Management Committee continues to hold virtual Zoom meetings on a regular basis. We will endeavour to keep all of our members informed of any new changes going forth as it pertains to the COVID-19 pandemic situation.

We thank you for your attention and consideration of the above information. If you have a specific question, please give me a call, or send me an email.
